

# Carrier Named Best HVAC Company of 2022 by U.S. News & World Report

INDIANAPOLIS, IN. - MAR. 2, 2022

[Carrier](#) was named the [best HVAC Company of 2022](#) by U.S. News & World Report's 360 Reviews team. Carrier ranked number one and its Bryant brand ranked second. Both companies are part of [Carrier Global Corporation](#) (NYSE: CARR), the leading global provider of healthy, safe, sustainable and intelligent building and cold chain solutions.

“As the leader in home comfort and the inventor of modern air conditioning, Carrier is thrilled to be recognized by U.S. News & World Report for our advanced technology and innovation as we provide homeowners with sustainable, energy-efficient and reliable solutions for heating, cooling and indoor air quality,” said Justin Keppy, President of Residential and Light Commercial HVAC at Carrier.
